Context, Resources, School Organisation & Curriculum

The school supports the principle of equality for all students regarding access to and participation in the school. The school respects the diversity of traditions, values, beliefs, languages and ways of life in society. The school acknowledges the right of parents to send their children to a school of the parent's choice, subject to the resources available to the school including classroom accommodation, class size, teaching resources and financial resources and subject to the capacity of the school to provide for the needs of any applicant or student. It will make every effort to secure those resources – where the resources cannot be secured the school may refuse admission. The school is staffed in accordance with the standard pupil – teacher ratios sanctioned by the Department and any additional teaching hours sanctioned by the Department in respect of curricular concessions, special needs, special programmes etc. The school operates within the regulations laid down by the Department from time to time. The capacity of the school to implement its desired curriculum, its broad range of educational programmes, its breadth of extra-curricular activities, its school plan and policies are dependent on the resources it receives. Consequently, in determining its activities and programme for any school year the school must have due regard to the teaching, management and administrative resources and the accommodation, equipment and funding available to it.

Scoil Mhuire is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a student a person who is not Catholic and it is proved that the refusal is essential to maintain the ethos of the school.

Policy Considerations

The Board of Management of Schull National School reserves the right of admission if such admissions contravene Departmental guidelines on class size, etc.

The school will not refuse a child on the basis of ethnicity, special education needs, disability, traveller status, refugee status, political or religious beliefs, family or social circumstances, provided the necessary supports are in place in the school.

The school will maintain a list of refused applicants for each class, their place on that list having been determined under the criteria outlined.

The Board of Management respects parental choice in relation to enrolment, provided the enrolment criteria are fulfilled.

The Board of Management of Scoil Mhuire National School, in its Policy of Admissions/Enrolment, respects the rights of the existing school community and the children already enrolled. Consequently, the Board of Management reserves the right to determine the maximum number of children in each class, bearing in mind:

- Health & Safety Concerns regarding Staff and Children
- Available classroom space
- Multi-grade classes
- Educational needs of the children
- Presence of children with special needs
- Department of Education & Science class size directives

- Appropriate Supports and Resources are available
- Time of school year

4. Admission of Students

This school shall admit each student seeking admission except where –

- a) the school is oversubscribed (please see section 5 below for further details)
- b) a parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student

Scoil Mhuire is a Roman Catholic School and may refuse to admit as a student a person who is not Catholic where it is proved that the refusal is essential to maintain the ethos of the school.

5. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school’s annual admission notice:

Junior Infant Enrolment Procedure:

For parents/guardians of Junior infants wishing to enrol their children, the school organises an Open Afternoon in early February. This day is advertised locally in shops, public notice boards, Parish Newsletter and local newspaper. Parents will be encouraged to attend with their child to familiarise themselves with the school layout and meet the Principal. Applications for Enrolment are handed out on this day. Parents/Guardians are informed of a closing date for application in early March.

The registration process is initiated on receipt by the school of a completed application form. This form must be signed and dated by one or both parents or guardians. The form will be date stamped on receipt by the school. Telephone calls or personal school visits concerning enrolment will be facilitated but are not in themselves enrolment applications.

Date of application, child's date of birth, address and telephone contact number are recorded in the School Record of Applications. Receipt of an application merely confirms that it will be assessed under the criteria outlined and does not confer any further status on that application.

Entry in the School Record of Applications means that an application will be considered throughout the relevant enrolment year and will be evaluated based on the criteria outlined in this policy.

Junior Infant Enrolment Criteria

If the number of children applying for enrolment exceeds the number of places available, the following prioritising criteria are used:

Priority	Criterion
----------	-----------

1	Priority is given to brothers and sisters of children already in the school or who have attended the school in the past. If the class is over subscribed on the basis of this criterion, then places will be allocated on the basis of age, starting with the oldest applicant, until all places are allocated.
2	Families whose primary residence is either (a) in the immediate areas of Schull Parish, starting closest to the school and radiating outwards from the school within the Parish or (b) in Schull Parish within a 16 kilometre distance by road from the school. If the class is oversubscribed within the application of this particular criterion, then the furthest from the school under either (a) or (b) will be eliminated first.
3	Children of current teaching staff.
4	Children of parents who are past pupils of the school. If the class is oversubscribed within the application of this particular criterion, then those whose primary residence is furthest from the school will be eliminated first.
5	If space is still available, class numbers are completed from the Waiting List, which is compiled and ordered according to the date of the original application. The criteria are listed in order of priority when spaces are allocated under criterion 1 and space is still available, then criterion 2 comes into play and so on. This prioritization proceeds until all places have been allocated.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply: The oldest applicants will be prioritised.

The Board is also bound by the DES regulation which stipulates that any child must be four years old before he/she can be enrolled in a National School. The Board of Management strongly recommends that applicant children are at least four years of age and ideally 5 years of age on or before 1st January of the school commencement year.

6. What will not be considered or taken into account

In accordance with section 62(7) (e) of the Education Act, the school will not consider or take into account any of the following in deciding on applications for admission or when placing a student on a waiting list for admission to the school:

- (a) A student's prior attendance at a pre-school or pre-school service, including naíonraí,
- (b) The payment of fees or contributions (howsoever described) to the school,
- (c) A student's academic ability, skills or aptitude
- (d) The occupation, financial status, academic ability, skills or aptitude of a student's parents,

- (e) A requirement that a student, or his or her parents, attend an interview, open day or other meeting as a condition of admission,
- (f) The date and time on which an application for admission was received by the school.

This is subject to the application being received at any time during the period specified for receiving applications set out in the annual admission notice of the school for the school year concerned.

This is also subject to the school making offers based on existing waiting lists (up until 31st January 2025 only).

7. Decisions on applications

All decisions on applications for admission to Scoil Mhuire will be based on the following:

- Our school's admission policy
- The school's annual admission notice (where applicable)
- The information provided by the applicant in the school's official application form received during the period specified in our annual admission notice for receiving applications

(Please see section 13 below in relation to applications received outside of the admissions period and section 14 below in relation to applications for places in years other than the intake group.)

Selection criteria that are not included in our school admission policy will not be used to make a decision on an application for a place in our school.

Admission to the school is, of course, subject to the resources available to the school including classroom accommodation, class size, teaching resources and financial resources, and subject to the capacity of the school to provide for the needs of those who apply for admission.

Where the school lacks the necessary resources to meet the needs of any applicant or student, it will make every effort to secure those resources: where the resources cannot be secured, the school reserves the unfettered right to refuse admission.

It is the responsibility of parents / guardians of any child to inform the school of any such needs on the enrolment application form for the child's own welfare. In this context the school authorities will have equal regard for the welfare of all the students and their right to an education in an atmosphere that is not detrimental to their physical, emotional, moral, social or intellectual development.

Failure to fully complete the application form, failure to supply any relevant information requested by the school or failure to make reasonable arrangements to meet with the school authorities to discuss the application may result in a child being refused admission to the school.

8. Notifying applicants of decisions

Applicants will be informed in writing as to the decision of the school, within the timeline outlined in the annual admissions notice.

If a student is not offered a place in our school, the reasons why they were not offered a place will be communicated in writing to the applicant, including, where applicable, details of the student's ranking against the selection criteria and details of the student's place on the waiting list for the school year concerned.

Applicants will be informed of the right to seek a review/right of appeal of the school's decision (see section 17 below for further details).

9. Acceptance of an offer of a place by an applicant

In accepting an offer of admission from Scoil Mhuire, you must indicate—

(i) whether or not you have accepted an offer of admission for another school or schools. If you have accepted such an offer, you must also provide details of the offer or offers concerned and

(ii) whether or not you have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, you must provide details of the other school or schools concerned.

10. Circumstances in which offers may not be made or may be withdrawn

An offer of admission may not be made or may be withdrawn by Scoil Mhuire where

- (i) it is established that information contained in the application is false or misleading.

- (iv) an applicant has failed to comply with the requirements of 'acceptance of an offer' as set out in section 9 above.

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of certain information between schools in order to facilitate the efficient admission of students.

12. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to Scoil Mhuire were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of Scoil Mhuire is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Applicants whose applications are received after the closing date, outlined in the Annual Admission Notice, will be placed at the end of the waiting list in order of the date of receipt of the application.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

13. Late Applications

All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Late applicants will be notified of the decision in respect of their application no later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is place available. In the event that there is no place available, the name of the applicant will be added to the waiting list as set out in Section 12.

While Catholic education and the ethos of the school permeates the day, children of other faiths or none, will be excused from participation in religious instruction classes following consultation with Principal, parent and class teacher, however they will remain in the classroom and carry out activities that will not interfere with religious instruction lessons.
